5 Reasons to Insure Powersports with Allied

1 The Brand & Financial Strength

Our brand is known for providing "On Your Side" service and is a stable fixture in the insurance industry. We are one of the largest insurance and financial service providers in the world. We rank 104th of all Fortune 500 companies. Our AM Best rating of A+ 15 reflects a solid financial positioning.

2 The Product!

We include **product features** like deductible rewards, custom equipment coverage, vacation liability, pollution and wreckage removal **FREE** on policies! Optional coverages are also offered to provide extra protection tailored to your needs. Couple the product features with the array of **discounts** that are available and we can offer a product that is *right* for many vehicles on the road or the water!

3 Competitive Position

We have designed our products keeping our competitors in mind. Our rates, product options and discounts have been designed to provide you with a desirable product at the right price!

4 Our Claims Service

The best in the industry. We have claims professionals located throughout the south so we can provide service to your customers wherever they are. We offer Blue Ribbon Repair Service, Auto Watch, Specialized claims handling and an Immediate Settlement Unit to expedite the claims handling process.

5 Our Commitment to You

You are our #1 customer and we are here to support you. We have one goal—providing you with a "WOW" customer experience.
